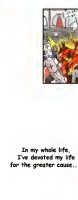
My God ... When did he ... Just when did he ...

I ...

For the past 10 years since I took the throne from my father ...

Have been studying hard to repeal human intruders ...



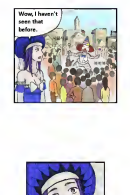
Endless research for new magic ....

As well as inventing new traps ...

In my whole life, I've devoted my life for the greater cause....

But in a corner of my mind, I've always wanted a fateful encounter with my significant other

Oh all people, a kid !
A kid passed me, I swear.
I am going to put him on XXX and make him to do XXX and XXX
Don't look !
Mommy, she's on fire.
Hey, Miss, are you alone?



Shopping ...
